2020 SUMMER YOUTH WEEKS

2020 PRE-CAMP PRAYER GUIDE

We believe prayer is essential to focusing us on what God is doing and what He will do while your group is at camp. We have provided a guide to help you be intentional about not only getting everything packed for camp, but also taking the time to pray and ask God to move among your group in a mighty way.

This week of camp as we focus on God's call on our lives, please pray for:

- All to realize their need for a Savior because of our sin nature that separates us from God.
- Many students to place their faith and trust in Jesus Christ, so they may experience the forgiveness of sin, abundant life here on earth and eternal life with God.
- All who attend to be ready to hear from God.
- Unity in the youth groups and among other youth groups as they mix and hang around others all week.
- Those who are believing the lies of culture that makes them feel less than or worthless.
- All the churches gathered at each week of camp will not say anything or judge anyone that would negatively impact someone else's opportunity to believe that Jesus is who He says He is, that He does what He says He will do, and that He is the way, the truth and the life.
- Safety for all who attend camp.
- A renewed love for Jesus and His church.
- Many to surrender to full-time vocational service, as well as for all to answer the call of living their lives serving the Lord right where they are now.
- All attendees to experience spiritual growth.
- A new vision for each church to see their schools and towns as a mission field waiting for someone to come share the good news of Christ and His plan of redemption.
