

2021 SUMMER
YOUTH WEEKS

2021 YOUTH WEEKS MISSIONS OFFERING

Two million meals and counting!

This is our tenth summer packing meals for Haiti!

Our goal this year is to pack 100,000 meals. This requires \$30,000 in offerings to pay for the food and shipping. This is less than half of what we have packaged in other summers. The students who have attended Youth Weeks in previous summers have proven we can meet the larger challenge. This challenge should meet the smaller anticipated crowd but still allow us to help. We are not only packing food to feed the hungry, we are also providing a way for the gospel of Jesus Christ to be shared with those receiving the meals. Go God!

We are asking that youth groups start before camp in helping us reach our goal for 2021. There are so many ways that your church can play a large part in our offering to Jacmel, Haiti. Share with your church that we are now supporting three villages and the House of Abraham Orphanage with these meals. Plan a prayer meeting to pray for the House of Abraham. Hold a fundraiser. Decorate an offering container with pictures of the children from the House of Abraham. Use your imagination. One church simply put the container in their church and asked for spare change. They were so excited to bring so much more to camp than they had the previous summer. Let the students be creative with their ideas. We are so thankful to the many churches in previous summers that received special offerings during Vacation Bible School which ultimately played a role in helping us reach our offering goals.

These past nine years, each group has taken one hour out of one camp day to pack meals that are shipped to Haiti. This summer it may only take about 30 minutes since we are not able to package as many meals. We pray that the offering will go above what we need to cover the meals and help with other projects the House Of Abraham will do to reach their community for Christ. God has been doing immeasurably more each summer than we could have imagined with these efforts. We should be amazed that we get to take part in mission work at Caswell that impacts another country.

For more information about the House of Abraham and to meet our young friends, visit facebook.com/HOAKids.

Join us in praying for our continued mission efforts in Jacmel, Haiti.

Go God!
